Chapter 1 by Jayde Avalon

Riddles...riddles...in my head...

Riddles...riddles...causing dread...

Riddles...riddles...what is life...

But riddles...heartache...strife...

All is a riddle,

All is a joke.

We fight and we fiddle,

We jeer and we poke.

We don't understand

What we do to others.

We don't understand

We're not really brothers.

We can't take a hit

And shake it right off,

We hold it and hide it

Till hearts have gone soft,

Weak, broken and crushed

When eyes turn aloft

And from them tears gush.

Riddles, riddles, on the walls,

Riddles, riddles, in the halls,

Riddles cut and riddles tear

Til in my soul...nothing's there.

I try to say I'm sorry,

But is it really true?

I'm making others worry

While I too am feeling blue;

I let my feelings scream,

I let my tears flow free,

Now I'm drowning in a stream...

If there is light, I cannot see...

I know that I did wrong

But still I am imprisoned

By the hurt I drag along...

Oh, the pain that I envision

Now that loves are shattered!

The chaos that I cause...

Do my words really matter?

Riddles...riddles...make me cry...

Riddles...riddles...though I try...

Riddles...riddles...am I so bad?

Riddles...riddles...make me so sad...

Chapter 2 by Jayde Avalon

I feel pain,
I feel sorrow,
Like a rain
That drowns tomorrow,
But drowns my heart
Instead, kills my joy,
Takes me apart
Like a child's toy.

Your words did cut me
But not as mine cut you,
I know now. I see
The wrong I always do
When I speak so bold.
I break friendships, I kill joy,
All the feelings that I hold
Can entire worlds destroy.

Please forgive my thoughtless words,
Please don't hate me so.
I know my speeches cut like swords
But please...don't let me go.
This beast inside of me
Consumes my heart and soul.
Save me...help me...give me
Another chance to reach the goal.

Please let me have another chance

To make you heart and soul dance

I know you know I love you

(Platonically my dear)
So seeing all this trouble so near
Please just let me hug you ;_;
